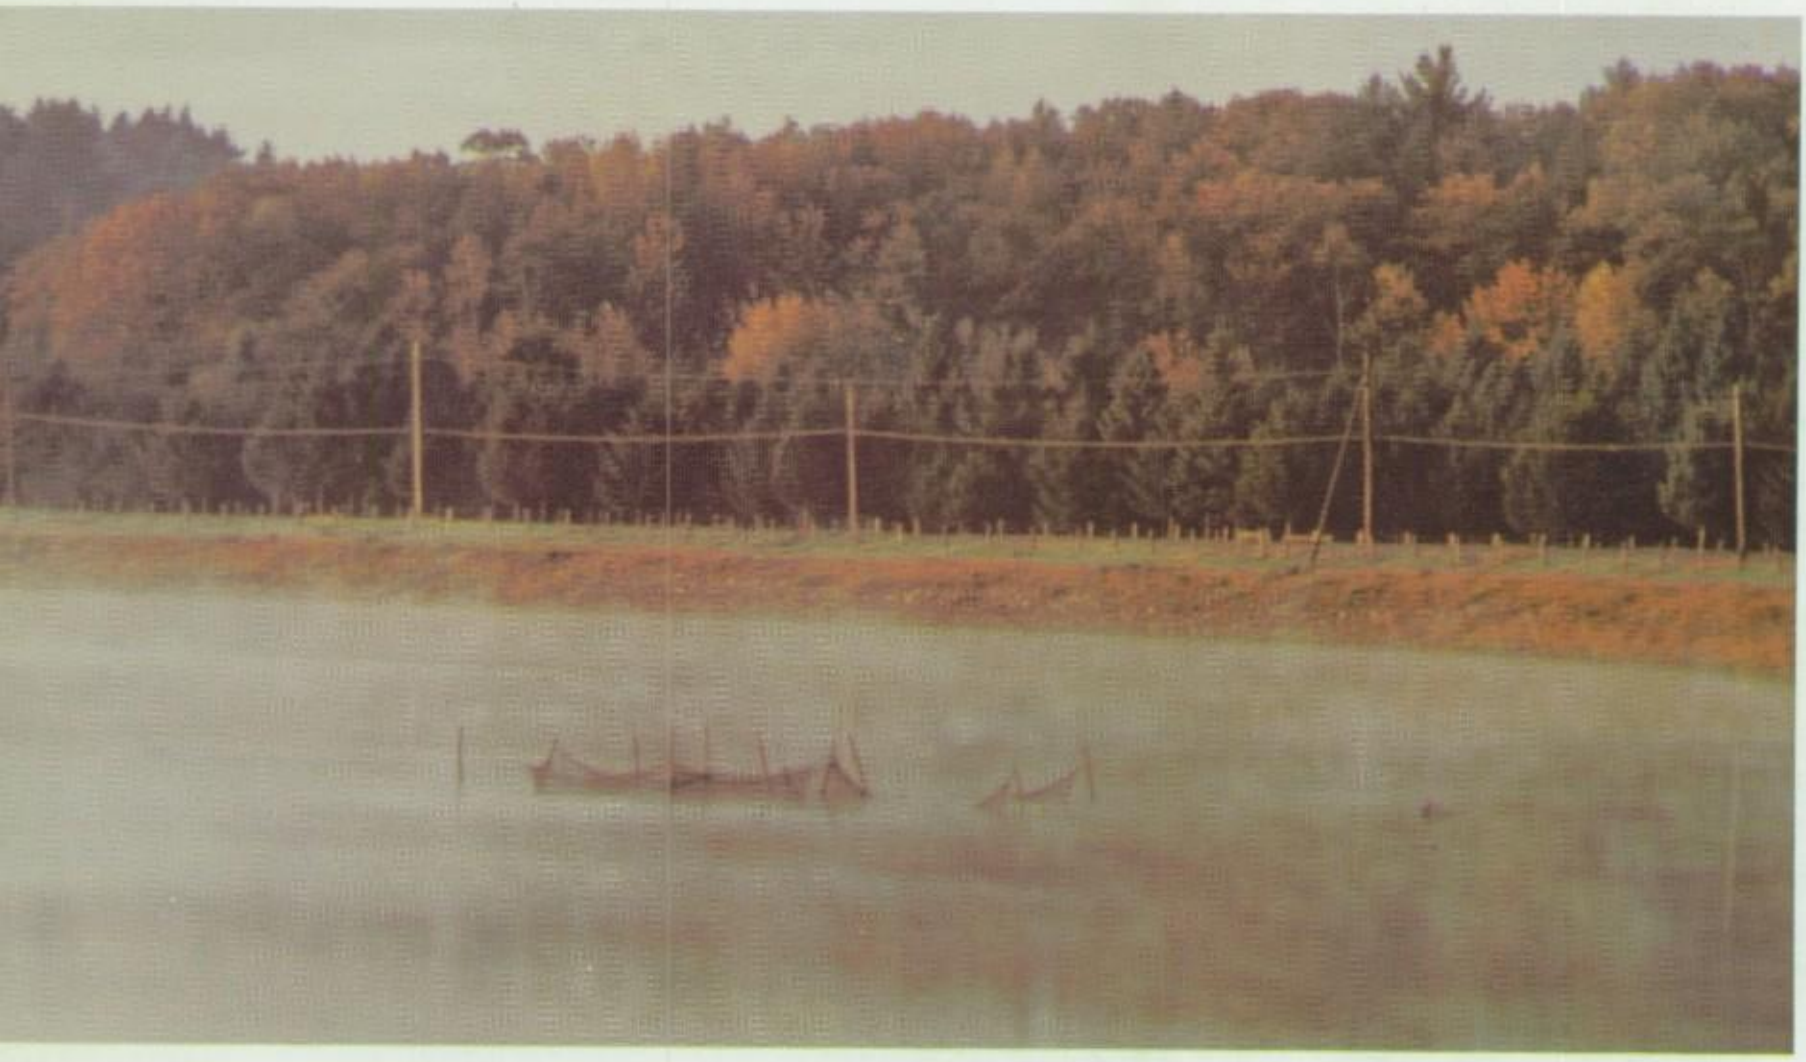
Memories

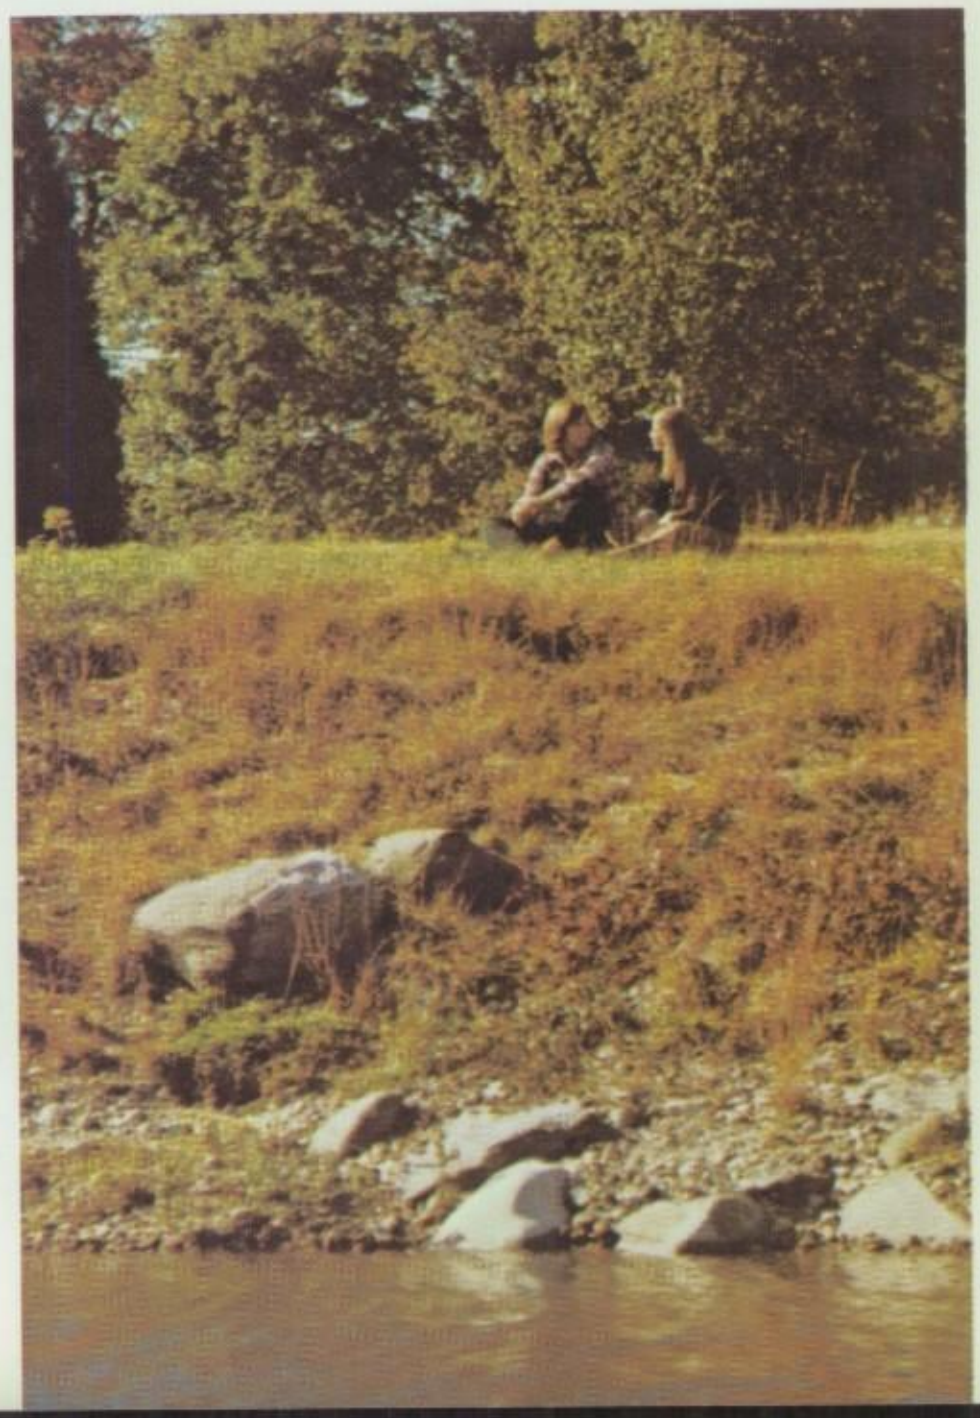
light the corners of my
mind.

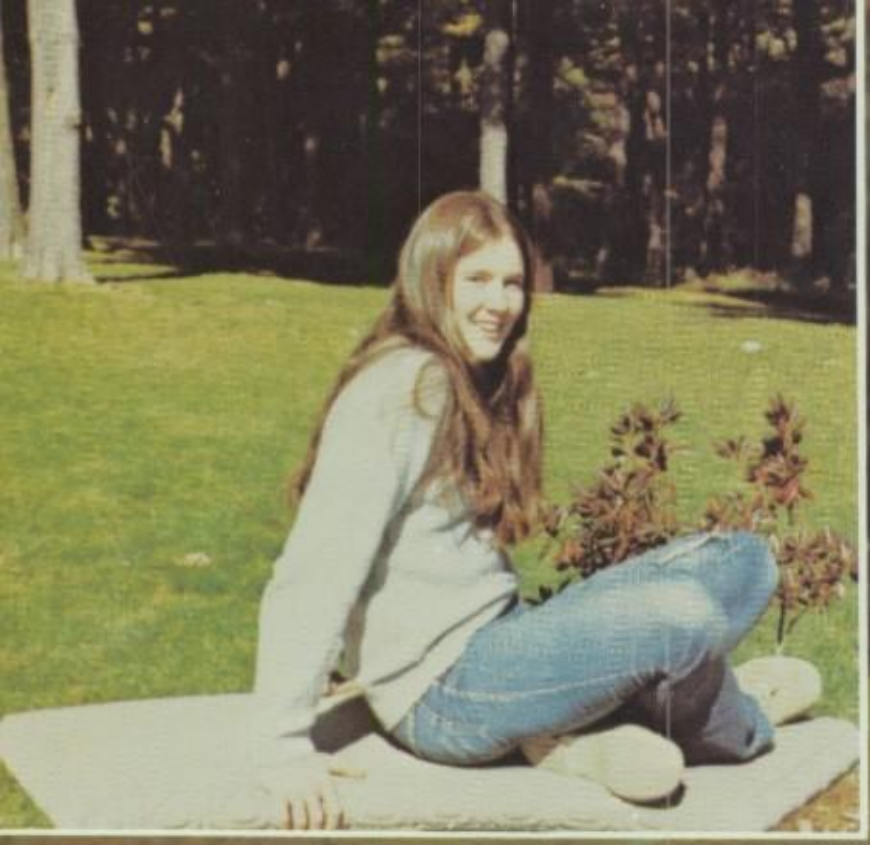
Misty
water-color
memories



of the way we were.

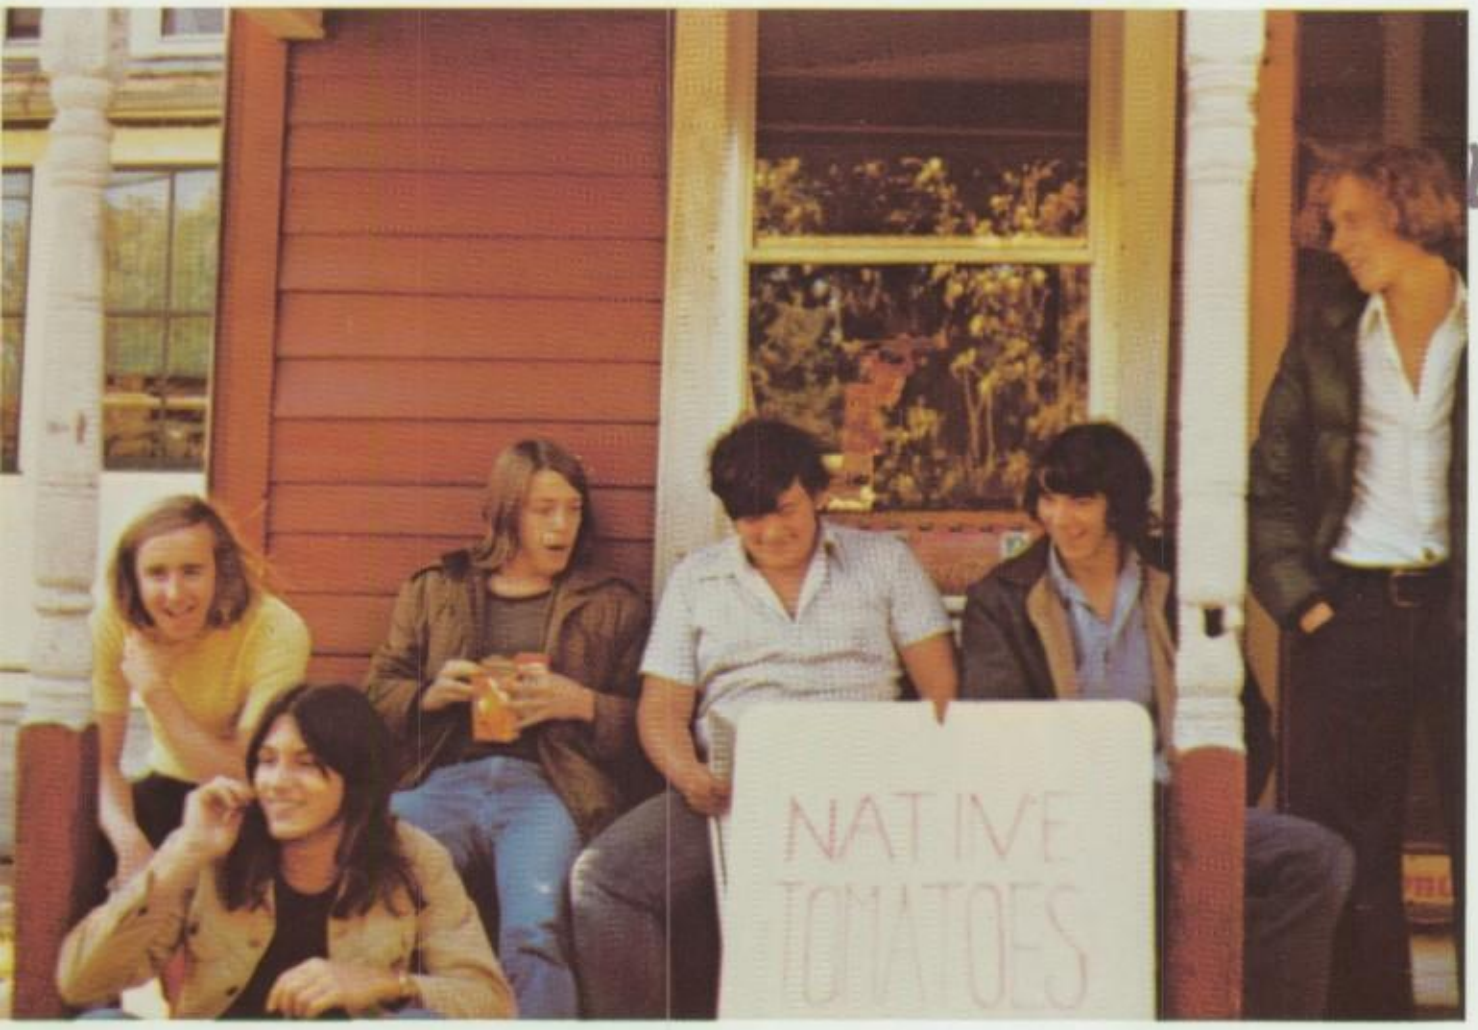
Scattered pictures
of the smiles
we left behind,





smiles we gave to one another
for the way we were.

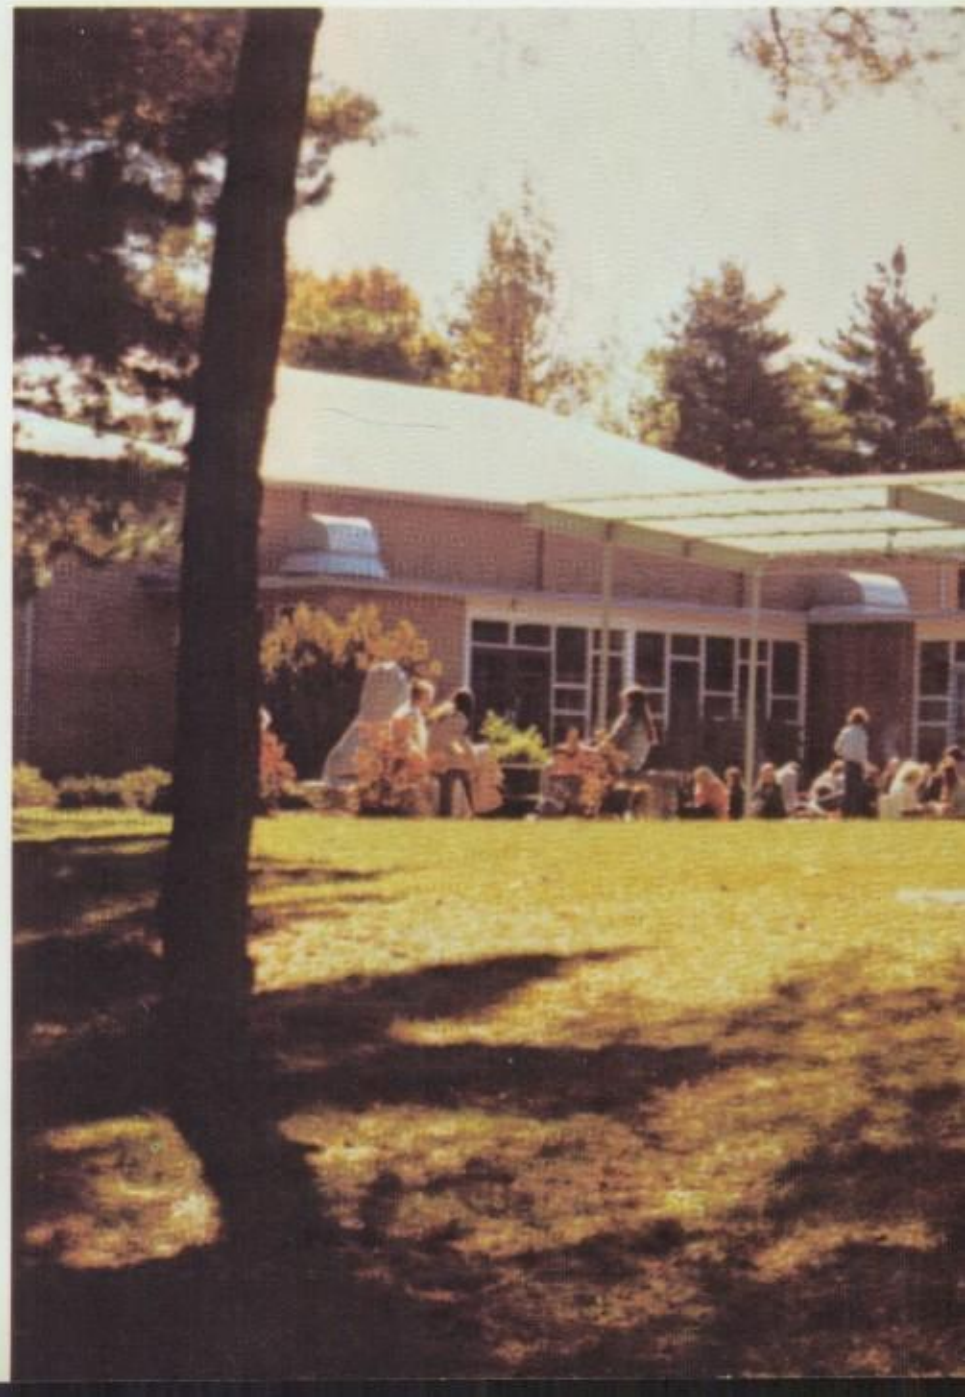
Can it be
that it was all so simple then,



Good luck
In the future
Even though
you got 2 years
left

Kevin Banks

or has time rewritten every line?

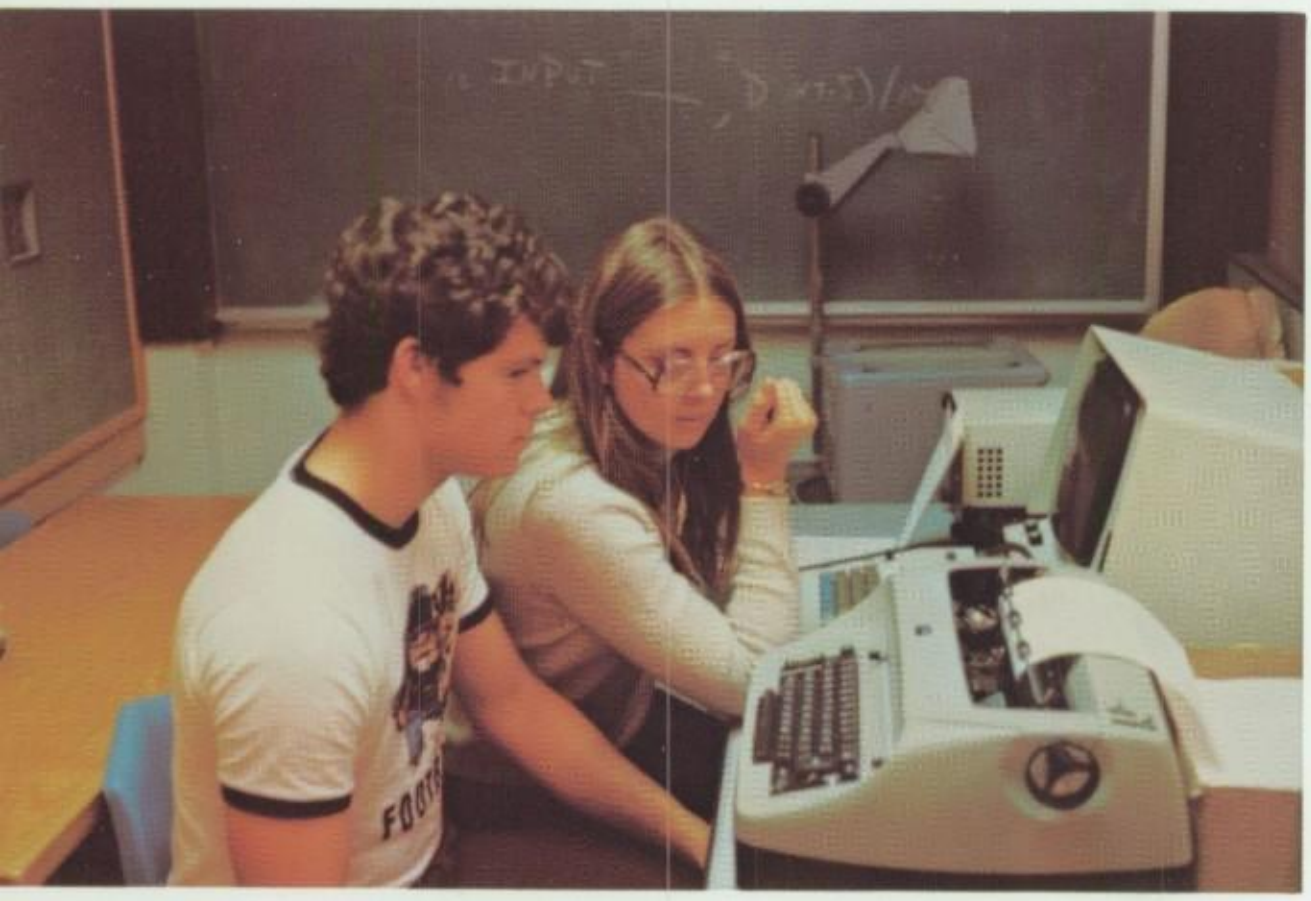


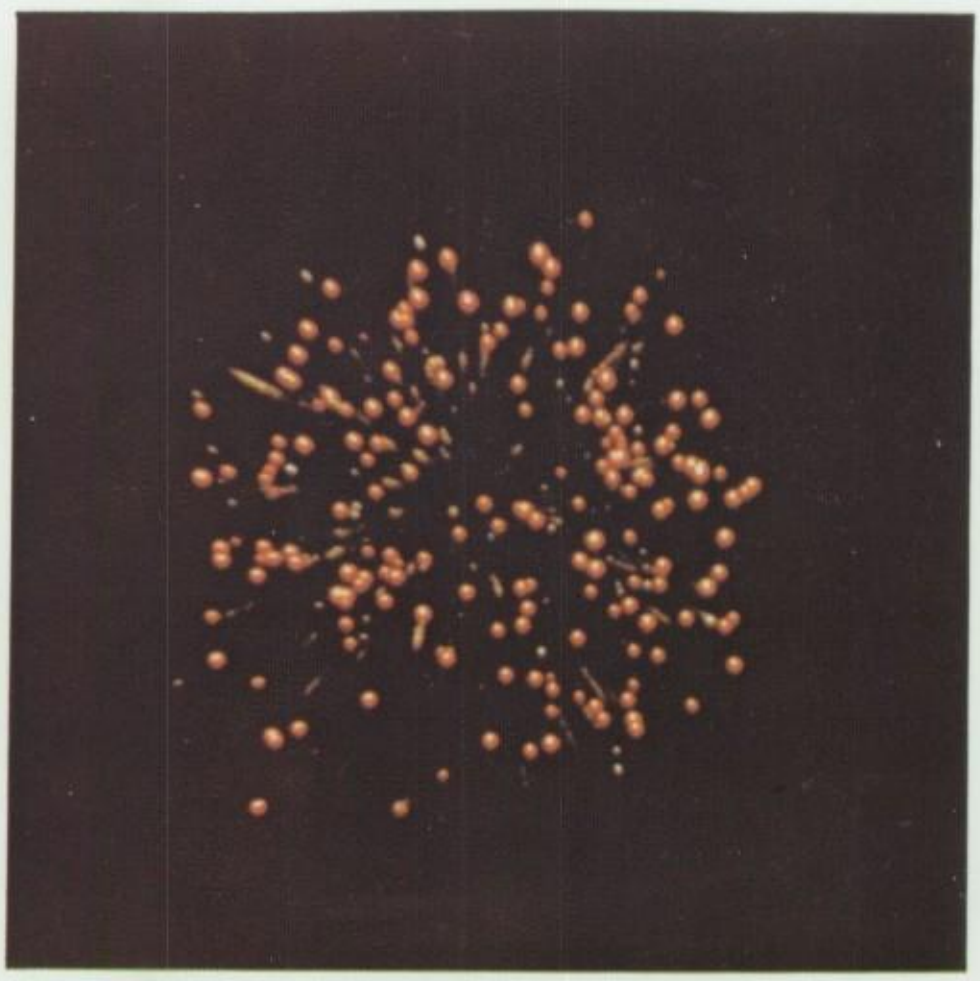
If we had a chance to do it all again

tell me

would we?

could we?





Memories ~
may be
beautiful
and yet,

what's too painful to remember

we simply choose to forget.

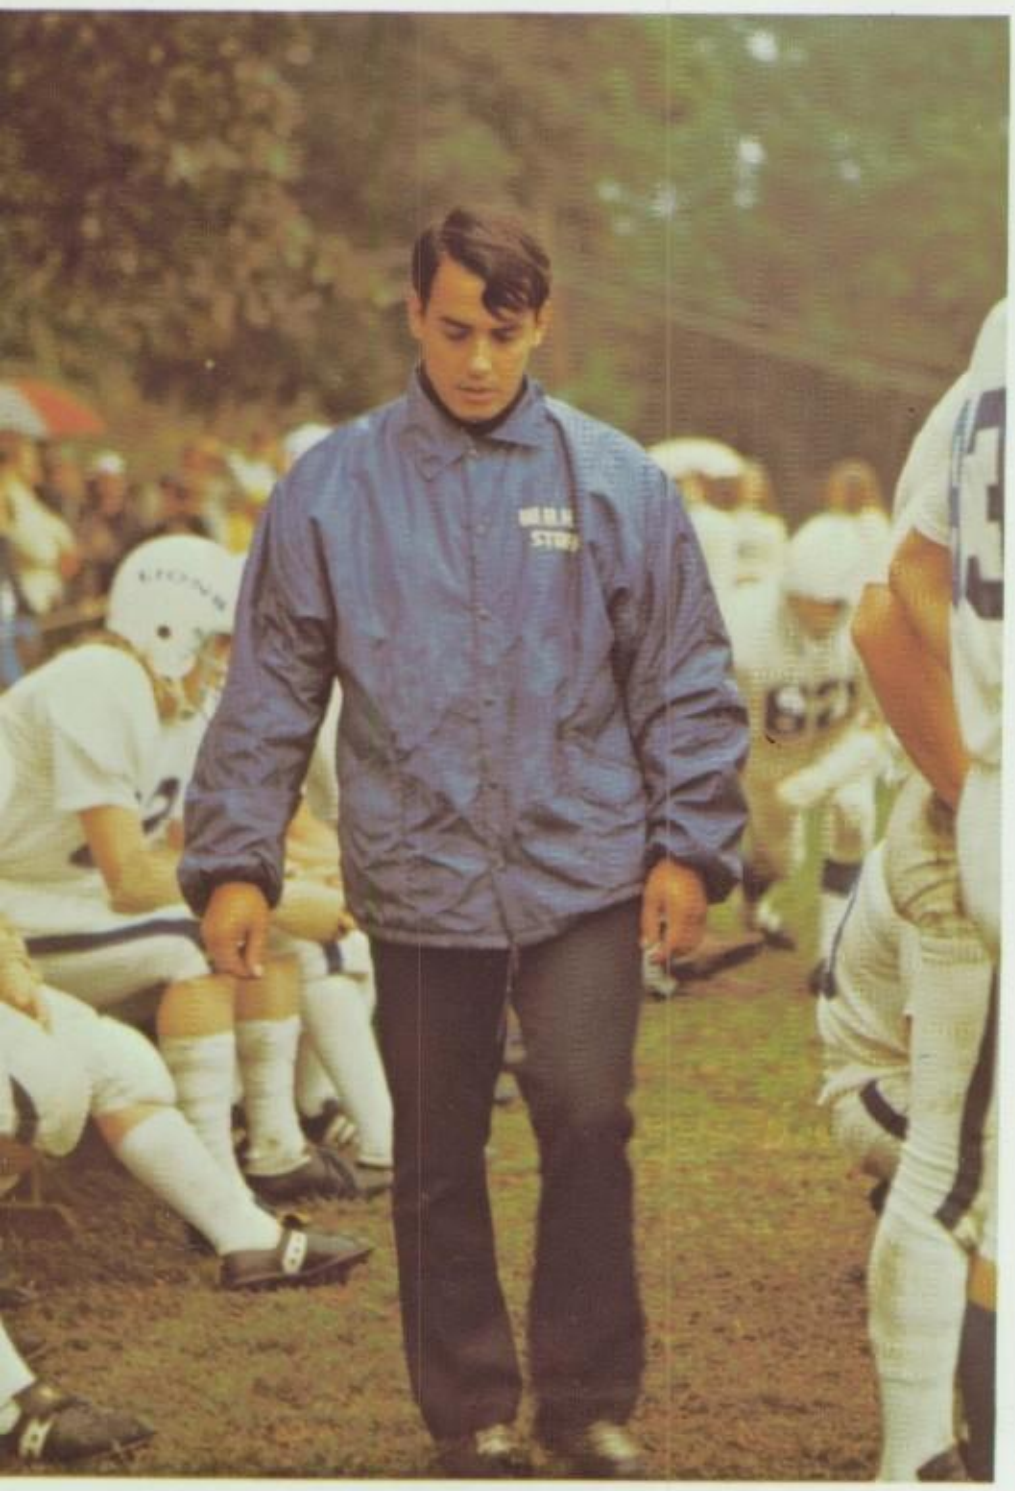
So it's the laughter we will remember,

whenever we remember

the way

we were;

The way we were.



A true friend

is the best possession~

Mr. Anthony Perry Jr.

Time in a Bottle

"If I could save time in a bottle
The first thing that I'd like to do
Is to save every day
'Til eternity passes away
Just to spend them with you.

If I could make days last forever
If words could make wishes come true
I'd save every day like a treasure and then,
Again, I would spend them with you."

Our bread just rose to new heights.

This has been a very good year for Peoples Bank. We started a successful marketing theme, "The Bread and Butter Bank." We unwrapped a new home office in Worcester Center. We totally remodeled 4 of our 9 offices. And our assets rose to $300,000,000. These are just four of the reasons why more family bread-winners are switching to Peoples, The Bread and Butter Bank.

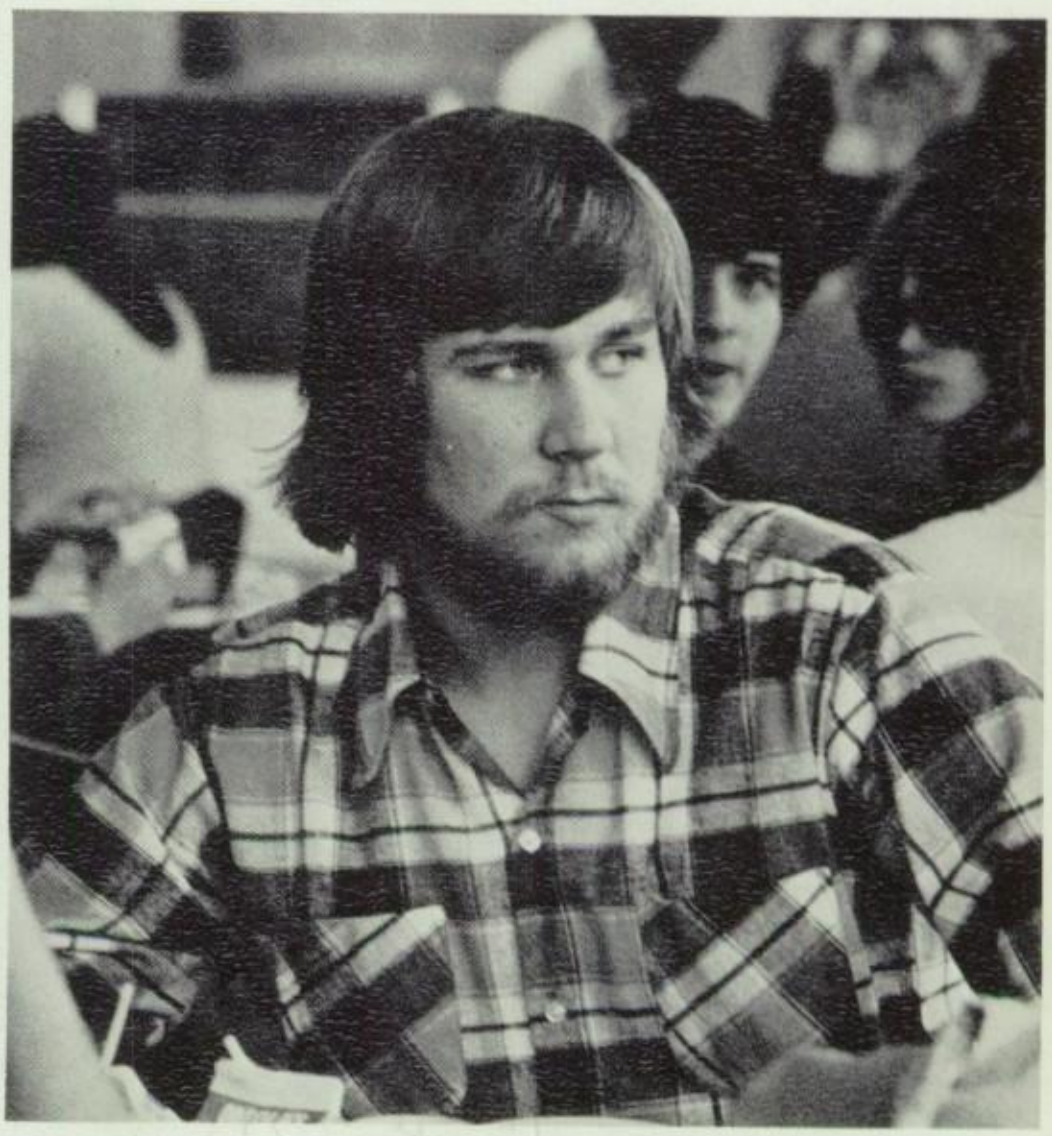
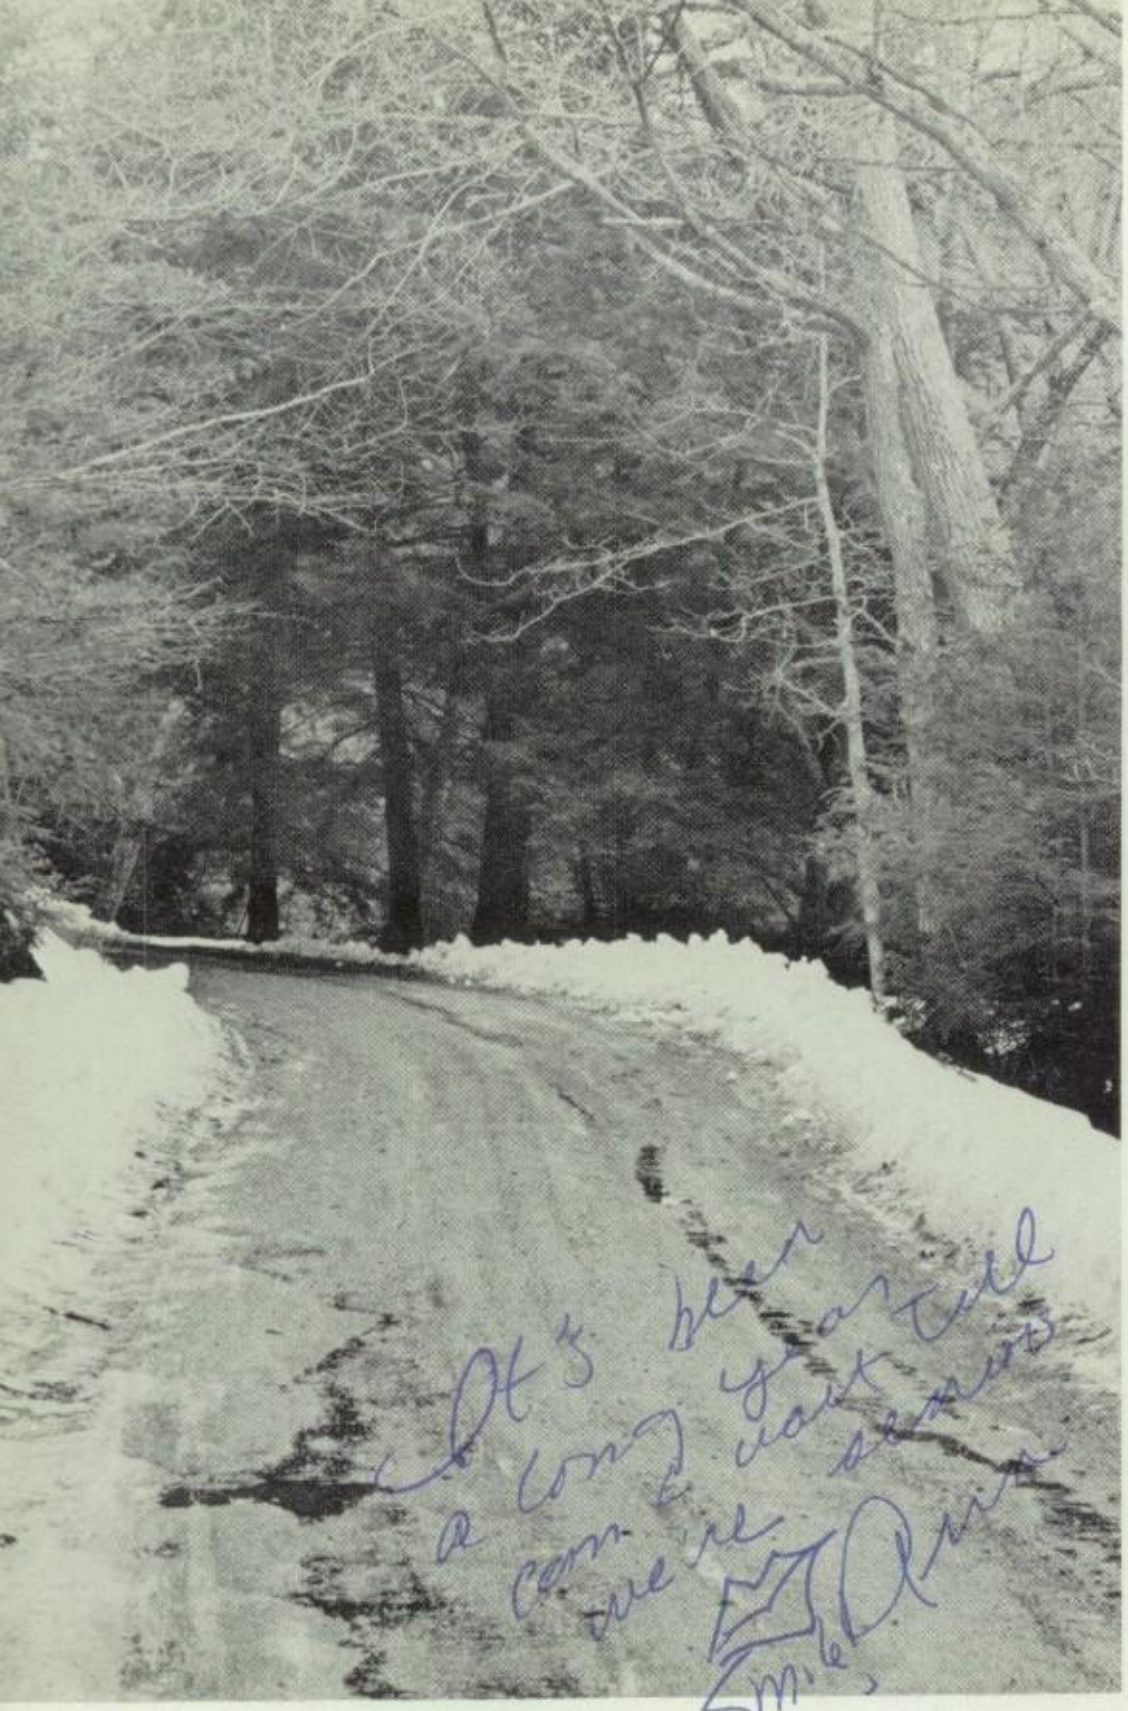
Well I left my happy home
to see what I could find out.

I left my folk and friends

with the aim

to clear my mind out.

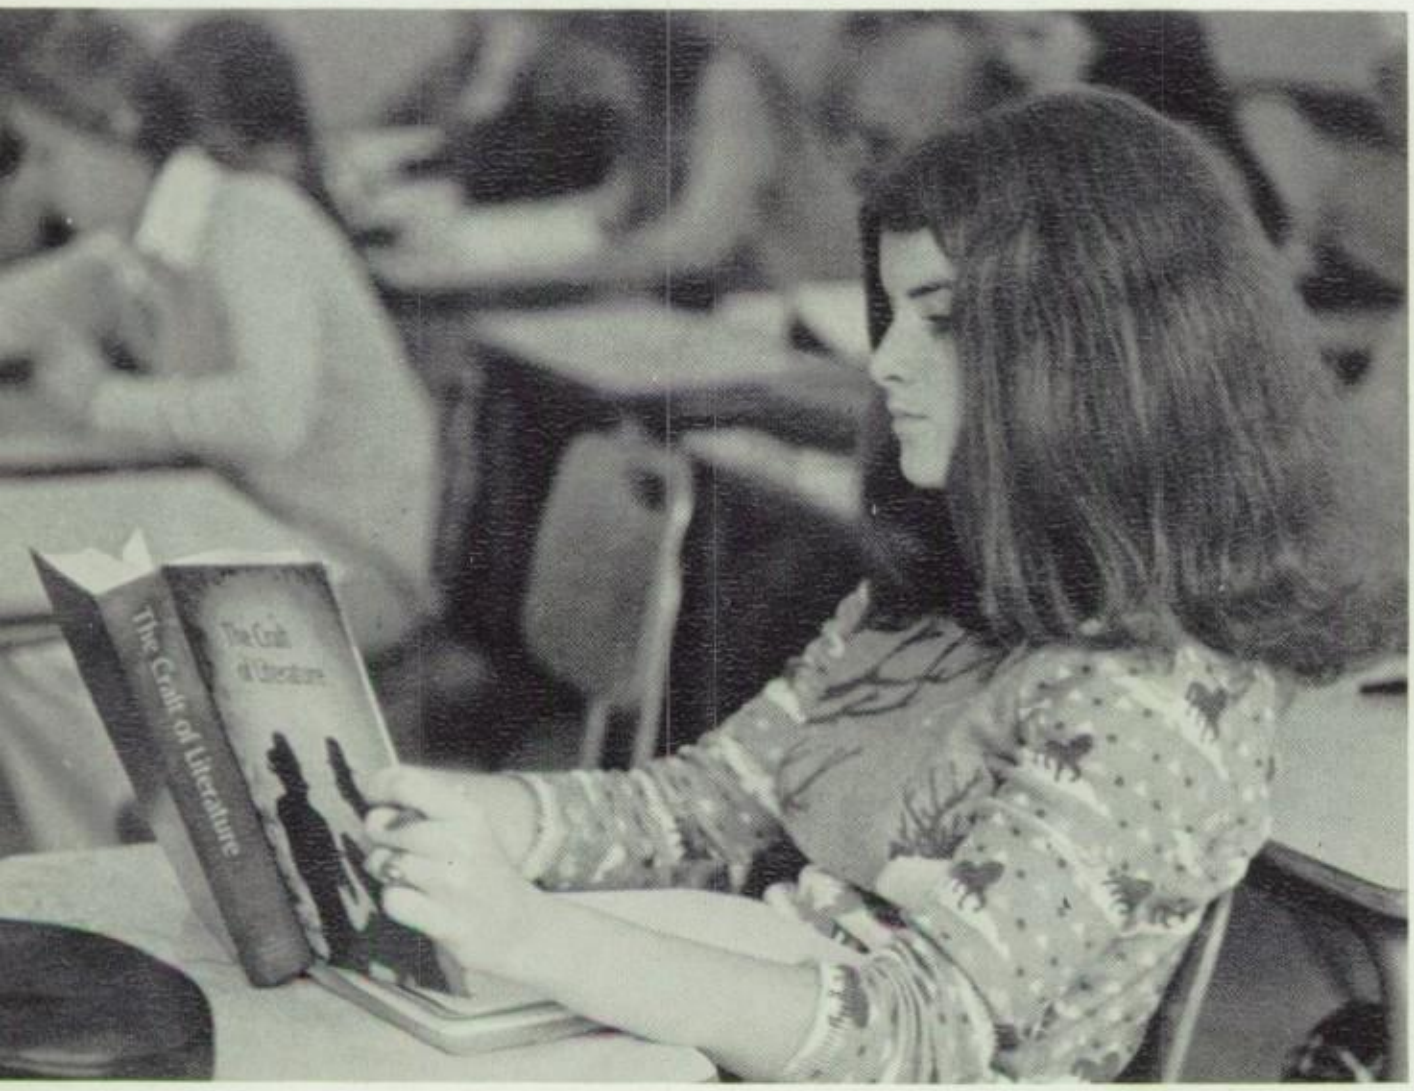


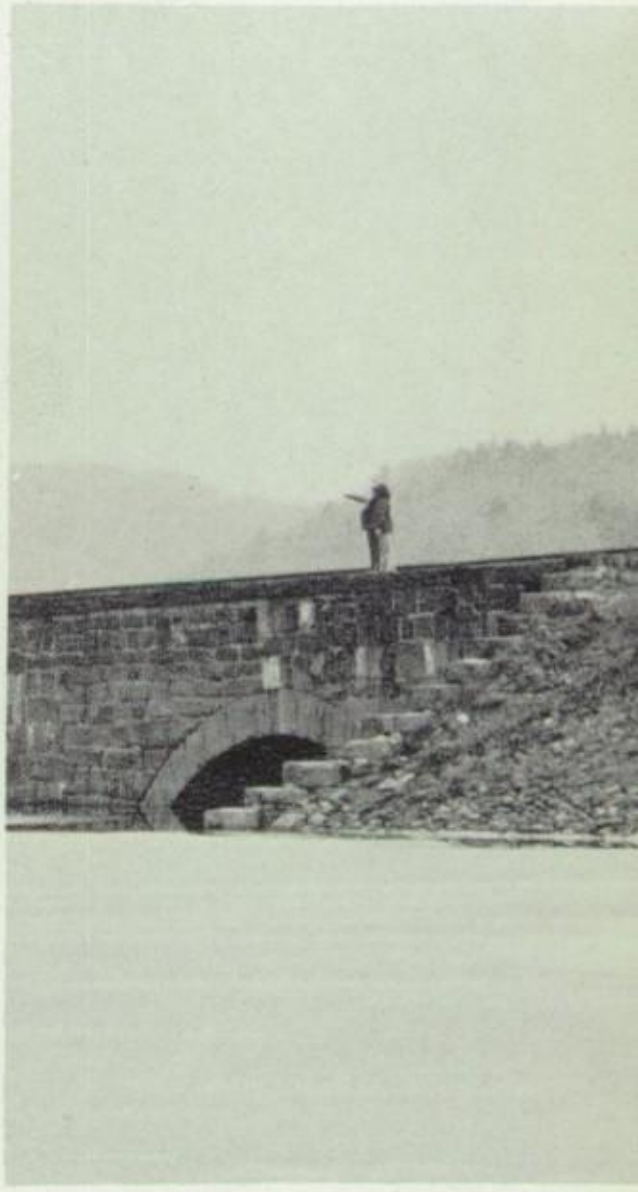


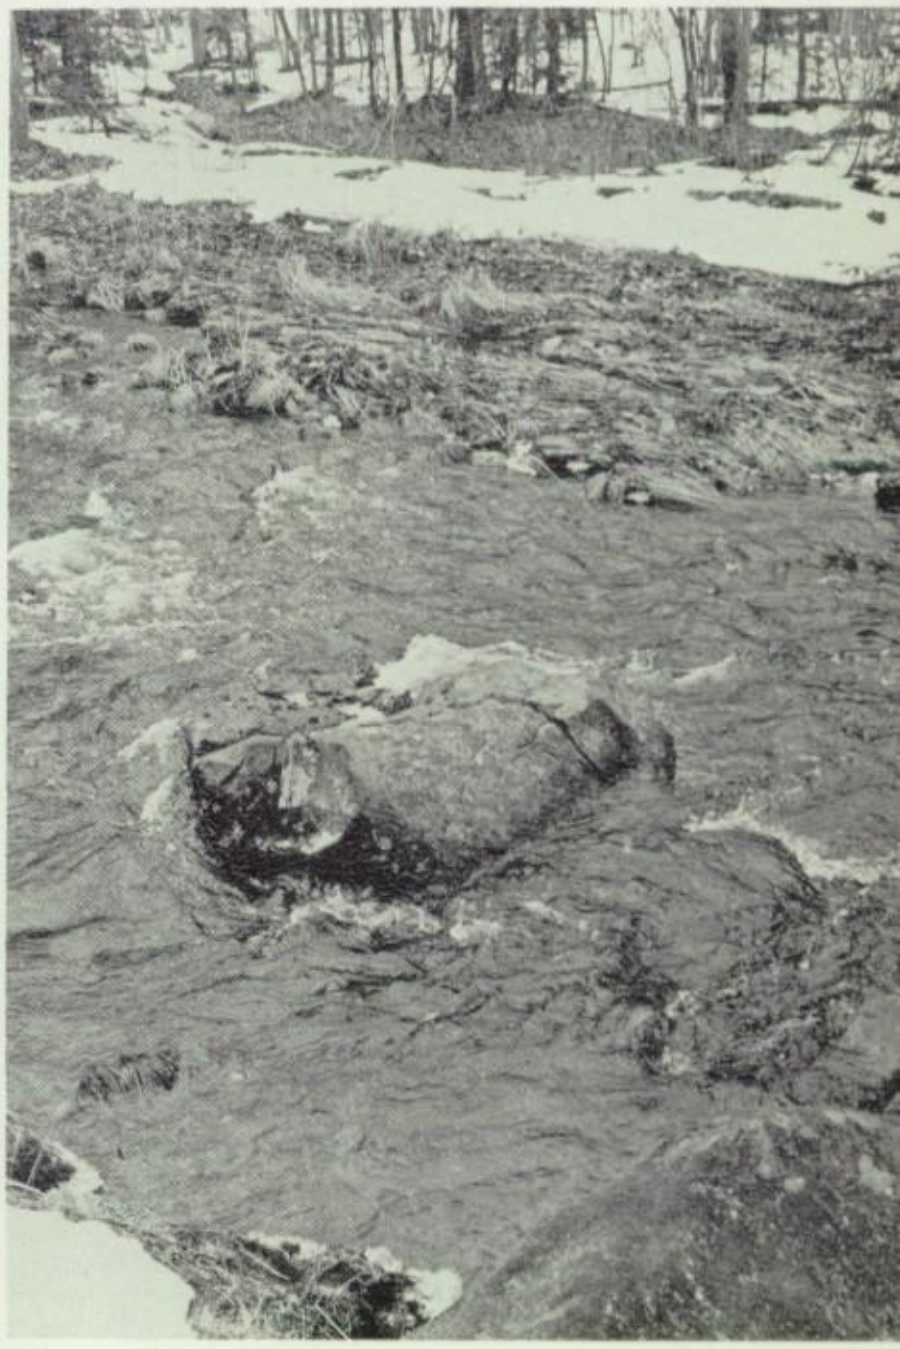
Well I hit the rowdy road

And many kids I met there

many stones told me of a way to get there,
so on and on I go ~ the seconds ~
tick the time out







There is so much left to know,
And I'm on the road to find out.

Craig
